

**UIL MUSIC REGION 8**  
**Policies of Region 8 beyond the UIL C&CR**

1. Organizations must perform in the zones to which they are assigned. Requests to change zones must be made no later than two weeks prior to the entry deadline of the first event involved (assigned event or requested event) and must be due to extreme circumstances in order to be considered.
2. Scheduling requests must be submitted to the Executive Secretary in writing (email is fine) prior to the entry deadline.
3. Schedules will not be altered once they have been distributed to directors of the participating organizations.
4. Organizations withdrawing from events after schedules have been distributed must notify the Executive Secretary in writing (email is fine) prior to the event. The organization will still be responsible for paying the entry fee since all expenses of the region related to the event must still be paid for that organization (judges' honorarium and expenses, recording fees, state fees, etc.)
5. Scheduling requests based on transportation problems will not be considered.
6. High school bands will draw for performance order at the fall region meeting. A person will be appointed to draw for schools not represented at the meeting. The draw order will be used throughout the year within each UIL Region 8 event (marching contests and concert/sightreading evaluations).
7. For marching contests, there cannot be any organized warm-up for any element of the band's performers prior to the scheduled 30-minute warm-up period (no stretches, no color guard work, front ensemble, etc.).
